Interested In Healthcare?

If so, Brooklyn Hospital Center Invites you to take the first step towards a successful future!

This career overview program will feature guest speakers from various fields of medicine, healthcare, and hospital maintenance. Come learn the history of Brooklyn's first hospital and explore careers in adult and child psychiatry, pediatrics, gynecology, radiology, cardiology, dentistry, oncology, and hospital management. Students will take tours of different hospital departments and Brooklyn Hospital professionals will lead discussions regarding college and medical school.
