Interested in a Career in Healthcare?

If so, then join the Exploring Program at Maimonides Medical Center!

This career overview program will feature guest speakers from various fields of medicine, healthcare, and hospital management. Maimonides is known for its Heart & Vascular Center which is ranked among the top 1% in the nation and for being home to Brooklyn’s only full-service Cancer Center and fully-accredited Breast Center. Students will take tours of different hospital departments and Maimonides professionals and medical students will lead discussions on college and medical school.
