## Are you interested in Construction, Event Planning, Hospitality and Sustainability?

If so, check out the Exploring Program at the Javits Center! The Javits Center is the busiest convention center in the United States as it hosts many of the world's leading conventions, trade shows, and special events. The Javits Center consists of 840,000 square feet, and 102 meeting rooms on four levels. The iconic convention center generates up to \$1.9 billion of economic activity and supports up to 17,700 jobs a year.
