Interested in a Career in Healthcare?

If so, then join the Exploring Program at Harlem Hospital Center! Harlem Hospital Center is a 272-bed teaching hospital found in 1887. It is designated as a Level 1 Trauma Center and an Area Wide Burn Center that includes a specialty in plastic and reconstructive surgery to reduce the scarring unique to the African-American community. The program will focus on careers in healthcare that includes Cardiology, Pharmacy, Central Sterile, Pathology, Food/Nutrition Services and more!
