Video Game DESIGN and DEVELOPMENT?

Then join the Exploring Program at Avalanche Studios!

Avalanche Studios is an independent AAA developer dedicated to creating open worlds full of emergent gameplay. You may know this studio as the creator of the Just Cause franchise and the developer of Mad Max. Attend this hour and thirty minute long program on October 17th **OR** November 9th to partake in discussions on game development and production. Representatives from Avalanche's art, design, audio, and animation departments will be presenting on their disciplines and leading students on a tour of the studio.

This program can only hold 20 students per session so make sure to register to reserve your spot!
