Interested In Healthcare?

If so, Bellevue Hospital Invites you to take the first step
towards a successful future!

This career overview program will feature guest speakers from various fields of medicine, healthcare, and hospital maintenance. Come learn the history of one of the first hospitals in the United States and explore careers in adult and child psychiatry, pediatrics, art and music therapy, sports therapy, cardiology, neurology, psychology, and hospital management. Students will take tours of different hospital departments and Bellevue professionals will lead discussions regarding college and medical school.
