**Interested in
Construction Management?**

They're building everything from New York's iconic office towers, to hospitals, to the cool hotels that you sleep in on vacation. Want to know how it's done? Structure Tone can show you. This experience will allow you to step into the shoes of a professional in the construction industry. This program consists of working as a team, learning to read blueprints, estimating and preparing a bid to present to company management. Don't hesitate! Come and experience what it's like to be in the construction management industry.
