Interested in Hospitality?

Kimpton Hotels are a series of New York City boutique hotels as distinctive as the city itself. Staff are on the tip-top of their responsibilities while treating guests to chic amenities.

You will be welcomed at **Ink 48**, which has a more modern appeal and sits on the West side overlooking the Hudson River. Hotel staff will guide you on tours of the elaborate facilities and demonstrate their daily tasks and responsibilities. Come ready to ask your questions about the various departments and careers within the field of hospitality.
