For Any Emergency or Situation, Please Contact the Following:

Executive Andrew LaBosco- 646-596-5779

Executive Ortega – 347-899-5886

Director Travis Smith- 732-261-9463

Welcome to the 2019 New York City Law Enforcement Explorer Spring Competition, hosted by the Greater New York Councils- Law Enforcement Exploring Division. In Partnership with a Host of multiple Law Enforcement Agencies.

The corresponding map of Camp Pouch shows everything that will be hosted for this year's competition and sleeping arrangements. **Headquarters for Camping weekend is Berlin Lodge.**

- Posts may only register for camp with the primary advisor present throughout the full duration of stay.
- Sleeping arrangements are separate for females and males. Each Post must bring a male and female adult leader for coed groups. Associate civilian advisors may not suffice as the sole gender advisor for any said post. They may however attend as a secondary advisor.
- There will be no explorer club members or anyone under the age of 14 camping out at anytime throughout the weekend. Jr. Explorers may attend the Spring Competition as spectators.
- Your Sleeping Locations Cannot Be Changed. Advisors must supervise their explorers at all given time. Any explorer found going close to the lake or any body of water will cause their entire post to be disqualified from competition, and will have to end their camping weekend early.
- Any Medical Emergencies please immediately contact the Above Phone Numbers or the Supervisor on Duty. You must immediately bring this to the attention of the Weekend Staff.
- Explorers should only use restrooms close to their camp site. There must be separate restroom facilities for all Male and Female Explorers and Advisors.
- You are responsible for the cleanliness of your camping area. You will not be allowed to check out until your area is inspected and clean. Police your area!
- You must check in with Learning for Life and NYPD as well as check out with both.
- There are no shower facilities available this weekend.

If you have any questions or concerns, please contact one of the above staff.

Thank You,

Travis Smith
Director of Exploring
