## Interested in a Career in Healthcare?

If so, then join the Exploring Program at the Brooklyn Hospital Center! This is your opportunity to visit the hospital and participate in an interactive program designed to give students an understanding of the many careers in this rapidly growing industry. At each session students will tour different areas of the hospital and speak with professionals in nursing, radiology, emergency medicine, health care security, and much more. Come and discover if a career in healthcare and medicine is right for you!
