Interested in a Career in Finance and Investment Banking?

This is your invitation to attend New York Exploring's program at Macquarie Group, an Australian based bank operating in 28 countries.

This five session program will provide **insight** into the fields of investment banking, financial advising, and hedge fund management. This program will interest students who enjoy math and numbers and are looking for fast paced, **lucrative careers**. Students will have the opportunity to review their **resumes** with Macquarie employees and partake in **mock interviews**. This is a great way to learn what businesses like Macquarie look for in potential employees.
