Interested in a Career in Architecture & Engineering?

They're building everything from New York's iconic office towers, to hospitals, to the cool hotels that you sleep in on vacation. Want to know how it's done? Structure Tone can show you. This experience will allow you to step into the shoes of a professional in the construction industry. This program consists of learning the trades from professionals, working as a team, learning to read blueprints, estimating and preparing a bid to present to company management for a cash prize! Don't hesitate. Come and experience what it's like to be a construction manager.
