money order.

## Interested in gaining valuable skills to prepare you for your future career?

If so, join the Exploring Program at American Management Association! AMA is a corporate training and consulting group that provides a variety of educational and management development services to businesses, government agencies and individuals.

AMA has developed a highly interactive and informative career readiness workshop just for you! Program will include sessions on business etiquette and corporate culture. AMA invites you to take the first step in becoming a leader! Every student will have the opportunity for a mock interview one of AMA's top level executives!
