

What Explorers are saying about Law Enforcement Exploring!!!

"Experience is one of the reasons why I decided to become an FBI Explorer. Experience is a priceless thing that you gain throughout your life, and makes you a better person. It opens your mind to the world, and gives you a multitude of opportunities. My experience with the Law Enforcement Exploring Program has opened my mind to careers in law enforcement, and has given me more choices for my future."

- Peng Peng Guo, Federal Bureau of Investigation Explorer

"So far I have gained many things from the Law Enforcement Exploring Program. Not only have I gained knowledge of law enforcement, but I have been able to prepare myself physically and mentally to become a better person in the future; responsible, intelligent, strong, and able to help our future generations."

- Stefany Estrada, New York Police Department Explorer

"The Law Enforcement Exploring program has helped change my view on Law Enforcement to a more realistic and positive one. I now see Law Enforcement as a vast and interesting field of work. Also, by constantly meeting with Police Officers I have come to realize that Police personnel are everyday people who are set forth to protect us"

- David Frey, New York Police Department Explorer

"I joined the Law Enforcement Exploring Program hoping to find a challenge and a bit of competition...I got more than I ever could have imagined. I couldn't ask for anything better than this program."

- Carla Callejas, New York Police Department School Safety Division Explorer

"Ever since I joined this program I have set my priorities straight and learned the value of life itself. I have given up street basketball to become a truly devoted Explorer. I believe that the choices I make today will tremendously affect me later in life. Although it was a hard decision, I know that this choice was the right one."

- Anthony Williams, New York Police Department Transit Bureau Explorer

"Through the Law Enforcement Exploring Program I have gained one important skill; leadership. Understanding leadership will help me approach all of my future responsibilities. Leadership will help me interact with others and enable me to make better decisions. The Law Enforcement Exploring Program has made me a better person, and better equipped me to become a leader."

- Allen Keys, New York Police Department Explorer

"As a DEA Explorer I have helped my community through outreach programs, participated in numerous tactical training sessions, competed in the National Law Enforcement Conference in Atlanta, and have been approved for an internship with the DEA in New York."

- Victoria Cirulli, Drug Enforcement Administration Explorer

"The Law Enforcement Exploring Program has helped me fine-tune my leadership and socialization skills by giving me first-hand knowledge, experiences and insight. Exploring has also exposed me to the vast array of local and federal Law Enforcement Careers".

- Savita Thackurdeen, U.S. Customs (JFK Airport) Explorer

"I can sincerely tell my friends that Law Enforcement Exploring teaches discipline and develops leadership skills...Join the program, I know you will enjoy it too".

- Christella Roberts, Explorer - New York Police Department Explorer
