yearly participation fee  
payable through check or  
money order made out to  
GNYC Exploring.

## Interested in Construction?

Two brothers started a small carpentry business in 1873 that flourished into a globally integrated construction and facility management services firm. They deliver the projects with foundations in sustainable building and the latest in lean construction technology and management. Come and learn about how you can also be an entrepreneur in construction.

Looking forward to seeing you!
