Interested in a Career in Health Care?

Then join the Exploring Program at New York Hospital Queens! New York Hospital Queens is a 535-bed acute, tertiary care facility with a staff of more than 3,500 hospital employees. The hospital is a member of the New York-Presbyterian Healthcare System and is affiliated with Weill Medical College of Cornell University. This is an opportunity for students to come to the hospital and get an overview of the many careers in the health care industry!
