Interested in a Career in Healthcare?

Then join the Exploring Program at NYC Health+Hospitals/Kings County. Kings County has a rich legacy for its pioneering role in medicine. Today, with over 627 beds, our hospital remains on the cutting edge of technology and provides the most modern procedures with state-of-the-art equipment. Kings County operates a world-renowned Level 1 Trauma Center, one of only three in the borough, which serves 2.6 million residents of Brooklyn and Staten Island. In addition to its main campus, Kings County is affiliated with the Dr. Susan Smith McKinney Nursing & Rehabilitation Center, Neponsit Adult Day Health Care, East New York Diagnostic & Treatment Center and the Bedford-Stuyvesant Alcoholism Treatment Center. Also, seven (7) Family Health Service satellite sites serves as a back-up facility for many health centers and hospitals in the borough. Come join us to learn about the many exciting careers at Kings County and in healthcare!
